

**STATEMENT OF CANDIDATE FOR
CENTER UNIFIED SCHOOL DISTRICT**

Eduardo R. Echeverria

Occupation: Supervisor

Education and Qualifications: My name is Eduardo (Ed) Echeverria and I am running for Governing Board Member for the Center Unified School District (CUSD). I have earned a Bachelor of Arts degree from North Central College, Naperville, Illinois and a Certificate in Management Development from California State University, Sacramento.

I have been active as Vice-Chair of the CUSD Advisory Council, Chairperson of the Center Junior High School SITE Council, and member of the Center Junior High School PTO. I have been a field trip dad and involved in my children's education since they were in kindergarten.

I am currently a supervisor of a project management office with the State of California and have held other management positions as an employee of the State for the past fifteen years. I have management experience in the insurance industry as well. I was a homeowner association board president for ten years and an AYSO Regional Board Member for four years.

I will use my management experience and skills to make CUSD the best school district in California. The potential is there. I will provide the leadership to make it happen. I would appreciate your support and your vote. Thank you.
